20180419 - Motion.1 – VOTED

We, the general membership of the Oakwood University Alumni Association, register a VOTE of NO CONFIDENCE in the leadership of the current president of Oakwood University, Dr. Leslie Pollard, for his FAILURE to:

1. Lead by exemplifying the Oakwood University motto of “God First!” and the Biblical principles for conflict mediation;
2. Protect Oakwood University’s reputation and brand, and his jeopardizing of Oakwood’s sustainability by launching an unnecessary, defamatory, public attack against the institution’s most valuable stakeholders – The Oakwood University Alumni Association;
3. Respect, appreciate, and value the Oakwood University Alumni Association for its 92 years of investment in the support, recruitment, retention, and successful graduation of Oakwood students; and the overall growth and viability of our Alma Mater.

Submitted to Dan Jackson, Chair – Oakwood University Board
