

FOR IMMEDIATE RELEASE: May 2, 2018

God is truly blessing the efforts of the **“Original” Oakwood University Alumni Association, 92 years strong and growing!** Don’t let anyone or anything distract you from supporting **OUAA** as we continue to fulfill our mission to help Oakwood University students. Now more than ever we need to **stay prayerful, strong, and focused.**

Through your continued donations, we have been able to help several seniors financially clear for graduation this year. **NOW MORE THAN EVER, CONTINUE GIVING TO OUAA!** There are students who still need your financial help to graduate. You can donate by going to our website: www.oakwoodalumni.org. As of April 12, 2018, the **Oakwood University Alumni Association** received its 501(c)(3) IRS tax exempt reinstatement retroactively. **OUAA** is operating business as usual.

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness... Eph. 6:12 (KJV). God is fighting this battle for us!
